AWARENESS PROGRAMME ON Good Clinical Practice Professional Certification Scheme (GCPPCS)

June 21, 2024

02:30-04:30 PM IST

GCPPCS is born out of our pure passion for excellence. BRIC-THSTI has taken the initiative to design, develop and launch the world's first certification scheme for the GCP professionals as per International Standard for Personnel Certification ISO/IEC 17024:2012 (Conformity assessment - general requirements for bodies operating certification of persons). Professional certification as per international standard (ISO/IEC 17024:2012) is a new concept in India. Certification of GCP professionals under the GCPPCS will facilitate international acceptance of such professionals since the scheme is based on ICH standards and certification process will be based on ISO 17024 by BRIC-THSTI-approved Personnel Certification Bodies (PrCBs) which in turn would be eventually accredited by the National Accreditation Board for Certification Bodies (NABCB), a constituent of the Quality Council of India (QCI). BRIC-THSTI is organizing its Webinar series on GCPPCS. We invite all clinical research professionals who are meeting the eligibility criteria to attend.
