

## DEPARTMENT OF ORTHOPAEDICS

- RESEARCH WORK BEING CONDUCTED SINCE LAST ONE YEAR IN THE DEPARTMENT OF ORTHOPAEDICS GMC KATHUA**

S. No	Title of Project	Name of Chief Investigator	Name of Co-Investigators
1.	Epidemiology of Orthopaedic Admissions Over one year in a tertiary health care centre-a retrospective study.	Dr. Rishabh Gupta (Assistant Professor) Dept. of Orthopaedics GMC Kathua.	Dr. Gagandeep Singh (SR) Dr. Amit Kumar ( SR) Dept. Orthopaedics GMC Kathua
2.	Comparison of Anterior Drawer, Lachman and pivot shift test in case of Anterior Cruciate Ligament Injury	Dr. Rishabh Gupta (Assistant Professor) Dept. of Orthopaedics GMC Kathua.	Dr. Gagandeep Singh (SR) Dr. Amit Kumar ( SR) Dept. Orthopaedics GMC Kathua
3.	Epidemiology of Orthopaedic outdoor Patients in a tertiary care Hospital (GMC Kathua)	Dr. Rishabh Gupta (Assistant Professor) Dept. of Orthopaedics GMC Kathua.	Dr. Gagandeep Singh (SR) Dr. Amit Kumar ( SR) Dept. Orthopaedics GMC Kathua
4.	Epidemiology of Closed Metacarpal Fractures in a tertiary care centre	Dr. Rishabh Gupta (Assistant Professor) Dept. of Orthopaedics GMC Kathua.	Dr. Gagandeep Singh (SR) Dr. Amit Kumar ( SR) Dept. Orthopaedics GMC Kathua
5.	To compare the outcome of Diaphyseal fracture Both Bone Forearm in children treated with above elbow cast for 6 Weeks versus 3 Weeks followed by Below Elbow cast for another 3 weeks	Dr. Rishabh Gupta (Assistant Professor) Dept. of Orthopaedics GMC Kathua.	Dr. Gagandeep Singh (SR) Dr. Amit Kumar ( SR) Dept. Orthopaedics GMC Kathua
6.	Our experience of fixation of Diaphyseal Tibia fractures with interlocking intramedullary nail at a tertiary care centre. A prospective Study	Dr. Rishabh Gupta (Assistant Professor) Dept. of Orthopaedics GMC Kathua.	Dr. Amit Kumar ( SR) Dr. Gagandeep Singh (SR) Dept. Orthopaedics GMC Kathua
7.	To evaluate the functional outcomes of different treatment methods in patients of adhesive Capsulitis presenting to a tertiary care centre. A prospective study.	Dr. Rishabh Gupta (Assistant Professor) Dept. of Orthopaedics GMC Kathua.	Dr. Amit Kumar ( SR) Dr. Gagandeep Singh (SR) Dept. Orthopaedics GMC Kathua
8.	To study the Epidemiology of Diabetic Foot Ulcers at a tertiary care centre.	Dr. Rishabh Gupta (Assistant Professor) Dept. of Orthopaedics GMC Kathua.	Dr. Amit Kumar ( SR) Dr. Gagandeep Singh (SR) Dept. Orthopaedics GMC Kathua

- RESEARCH GRANT DURING LAST ONE YEAR**
